| PA-6659-E-1 | General view, looking northeast. Retrofitted into a garage during the twentieth century, this building dates from very early in the Lazaretto's history and is believed to have once functioned as a summer kitchen or bake house. |
| PA-6659-E-2 | View looking east. This view takes in the door in the west wall of the main block (see HABS No. PA-6659-20) thought to be a service entry for its public rooms and administrative spaces. |
| PA-6659-E-3 | Window detail, south wall. The architrave and shutters appear to be original to the building. |
